Exhibit Guide | North Georgia

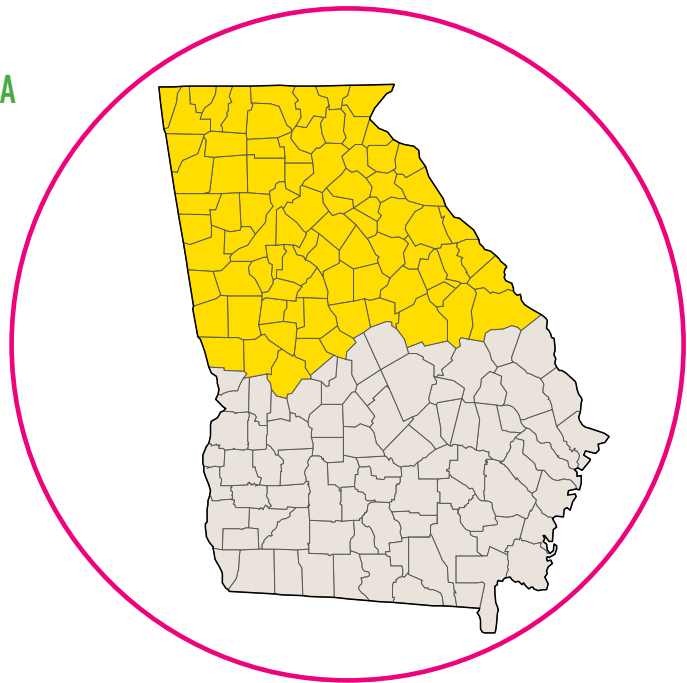

The Art of Georgia III: Celebrating Home

ABOUT THE PROGRAM:

The Office of the Governor in partnership with Georgia Council for the Arts is pleased to announce a call for entries for *The Art of Georgia III: Celebrating Home*. This third iteration of the exhibit is the culmination of a five year program that celebrated original works of art created by Georgia artists. Since 2012, 289 works of art by 209 artists have been exhibited at the State Capitol.

The Art of Georgia III: Celebrating Home seeks to capture the uniqueness of communities throughout Georgia as seen, explored, and depicted through the artist's eye. Two-dimensional visual art, in a variety of media, exploring this theme will be considered. The exhibit will hang in the executive offices of the State Capitol and showcase current work of contemporary Georgia visual artists. Three-dimensional work and film and video installations are not eligible. This is not a professional, juried competition. Pieces will be selected by Georgia Council for the Arts and the Office of the Governor. All decisions are final.
