Exhibit Guide | METRO ATLANTA

## ART OF GEORGIA

### ABOUT THE PROGRAM

The Office of the Governor in partnership with Georgia Council for the Arts is pleased to present The Art of Georgia: Celebrating Georgia's Landscapes and People. This rotating exhibit will hang in the executive offices of the State Capitol and showcase current work of contemporary Georgia visual artists. Artwork will be sought and selected by region over a two-year time frame, with work from each region on display for approximately six-months. Two-dimensional visual art, in a variety of media, exploring the theme of Georgia's culture, heritage and environment will be considered. Three-dimensional work and film and video installations are not eligible. This is not a professional, juried competition. Pieces will be selected by Georgia Council for the Arts and the Office of the Governor.
