

Horizon Theatre – Playwrights Video Samples

The links below contain short excerpts from five 5-minute plays written and performed during past Horizon Theatre Young Playwrights Events.

The Young Playwrights each wrote a 5-minute play during the workshop. The plays were performed as a public reading at the end of the week-long event. The reading was directed by a professional director and performed by local, professional actors.

The reading was held on Saturday, May 30, 2015, at Horizon Theatre.
