WWII Primary Source

Close Reading	**<u>Make a list</u> of things you notice about this primary source.** • Does this object have a date, and if so what is it? • • • •
Source	Why do you think this primary source was created?
Context	How was life in the United States during WWII different than it is now? How was life in the United States during WWII the same as it is now?

Wait until after all the presentations are finished to answer the last question.

Collaborate	What are somethings you learned about everyday life in the United States during WWII from seeing ALL the primary sources?
