INTRODUCTION

GCA Mission

The mission of Georgia Council for the Arts is to cultivate the growth of vibrant, thriving Georgia communities through the arts

GCA Goals

- Catalyze economic development through the arts
- Enrich individual lives through the arts
- Build community vitality
- Tell the story of the impact of the arts in Georgia

Introduction to GCA Grants

GCA believes that the arts can transform communities, and our grants support those organizations whose work demonstrates a significant benefit to the people being served.

We ask that you keep the following in mind when applying for a GCA grant:

- Our budget determines how many applicants we are able to fund, so some deserving applicants will not receive grants.
- Because of the large number of applicants, GCA staff members cannot preview your application or check to make sure it is complete.
- Each year, grants are awarded to all types of organizations, from large to small, urban to rural, classical to contemporary, and first-time applicants to those that have applied for many years. We strongly encourage all types of organizations to apply.
- Do not assume that panelists have knowledge of your past applications or your history with GCA.
- Grant review panelists are from all areas of the state, so make sure that your application is understandable to people that are not familiar with your community.
- You will be notified when your grant review panel is meeting and how to dial in and listen to the panel discussion.
- Grants are based solely on the application score. An applicant's grant history with GCA, size, location, discipline, etc. will not have an impact on FY20 funding decisions.
- Applicants awarded FY20 Cultural Facilities Grants will receive an award that could range from \$10,000-\$75,000, though no grantee will receive more than is requested in the application. Applicants may receive a grant that is less than the amount requested.
- Applications that are late or are not complete will be ruled ineligible and will not be reviewed by the panel. Applicants may not submit the missing material after the grant deadline. Applicants also may not change information that has been submitted after the deadline. Double check your application before submitting it to make sure it is complete.
- If you discover that your submitted application is missing required information, or you need to change information, GCA staff members can reopen your application as long as

the deadline has not passed. You must notify GCA staff in enough time that the application can be reopened, you can make the edits and submit the application again before the deadline.

- GCA staff members want to do all that we can to assist you with your application. Please do not hesitate to call or e-mail us with questions.

Panel Review Process

GCA works to put together grant panels that are diverse in terms of the panelists' disciplines, where they live in the state, ethnicity, gender, experience, etc.

Once the deadline has passed, GCA staff review submitted applications to ensure that all required material is included. Incomplete applications are ineligible for review and are not forwarded to the grant review panels.

GCA staff members prepare a report on applicants that did not complete the requirements of previous grants, such as late final reports or incomplete projects. Panelists read the applications and staff reports and submit preliminary scores and comments. An overall preliminary score for each applicant is determined by dropping the highest and lowest scores and averaging the rest. Panelists are then given access to comments from the other panelists as well as preliminary scores.

Panelists convene via conference call for the final evaluation. Panelists discuss each application, and then amend their preliminary scores if they choose. The high and low scores are then dropped, and the remaining scores are averaged to get the applicant's final score.

Once all panels are complete, all applicants are ranked by score. Applicants with the highest scores are funded.

ELIGIBILITY

Grant Description

Cultural Facilities Grants provide support for capital projects for arts facilities in Georgia.

Eligibility

All eligible applicants must be located in Georgia, registered with the Georgia Secretary of State, and must have completed all requirements of any previous GCA or state of Georgia grant awarded prior to FY20.

Eligible applicants must be one of the following:

- a non-profit arts organization registered with the IRS
- a local government entity (i.e. a city, county or local authority)

Who is NOT eligible to apply?

- Individuals
- Organizations with fiscal agents
- Organizations that do not have their own IRS 501(c) status.
- Corporations, for-profit businesses, or privately owned buildings
- Schools
- Libraries
- Colleges/universities
- Organizations that are based outside of Georgia
- Organizations that employ a lobbyist (This does not apply to organizations that are members of groups that use lobbyists.)

Organizations that have already received an FY20 grant, or that have a Vibrant Communities Grant request pending are eligible to apply for the Cultural Facilities Grant. However, there should not be any overlap in the budget of the previously submitted application and the budget for the FY20 Cultural Facilities Grant application.

Eligible organizations may only submit one FY20 Cultural Facilities Grant application for a single project. Please do not apply for multiple unrelated projects in a single application.

Please note: GCA will accept applications from parent organizations, but not fiscal agents. GCA defines a parent organization as one with which an applicant has a long-term, legal relationship, and the parent organization has the ultimate fiduciary responsibility for the organization. A fiscal agent is an organization which allows an applicant to apply for funding using the fiscal agent's non-profit status, but which does not have a legal, binding, long-term relationship with the applicant nor does it have fiduciary responsibility.

Eligible Applications

Eligible applications must:

- Include an eligible capital project that will be completed prior to June 30, 2020.
- Include a match in the budget. (The match requirements are outlined on page 7)
- Be submitted through GCA's online grant application system with no missing components by the deadline of August 29, 2019 at 11:59 PM.

Applications that do not meet these criteria will be ruled ineligible and will not be reviewed. Applicants may not submit additional material after the deadline.

Eligible Projects

Applicants may apply for an FY20 Cultural Facilities Grant for the construction, renovation, or acquisition of a building, or the addition of equipment that support arts programming. All facilities for which funding is being requested must be used for arts programs. The project/project phase for which support is being requested must start no earlier than November 1, 2019 and be completed no later than June 30, 2020.

If an organization is carrying out a very large capital project that will not be finished in its entirety by June 30, 2020, the applicant may apply for support for a single component or phase of that project.

Examples of eligible projects include:

- Renovating a building to be accessible to people with disabilities
- Carrying out a preservation project on a historic building
- Constructing a new building for use as an arts facility
- Purchasing a building for use as an arts facility
- Building an outdoor stage or amphitheater
- Purchasing and installing equipment, such as air conditioning units, assistive listening access, seating, listening devices, sound equipment, lighting equipment and projection systems.

Examples of projects that are not eligible for this grant are:

- Paying rent
- Renovating the commercial portions of buildings
- Purchasing computers or furniture
- Carrying out regular maintenance
- Landscaping projects that are solely for beautification
- Paving a parking lot, or other exterior projects unrelated to the building
- Creating feasibility studies, plans or architectural drawings
- Projects on buildings that are not used for arts programming

Eligible Facilities

If the project involves the renovation of a building, the building must be owned by the applicant. The only exception is if an eligible organization has a lease of more than 50 years with a government entity, such as a city or county.

Funding Request

Applicants may request no more than \$75,000 and no less than \$10,000. The grant request may not be more than 50% of total expenses. Grants may be made for a lesser amount than what was requested.

Match

A match for the grant request means that an applicant must raise additional funds and/or donations on top of the GCA grant request amount to pay for the project.

- Applicants requesting \$20,000 or more must have a one-to-one match. In-kind can count for up to 25% of the match, and the remaining amount must be cash. For instance, if the project costs will total \$50,000, then an applicant could request \$25,000 from GCA, use \$6,250 worth of donated goods or services, and then raise the additional \$18,750 in cash from other sources.
- Applicants requesting less than \$20,000 must have a one-to-one match. In-kind can count for up to 50% of the match, and the remaining amount must be cash. For instance, if the project costs will total \$20,000, then an applicant could request \$10,000 from GCA, use \$5,000 worth of donated goods or services, and then raise the additional \$5,000 in cash from other sources.

The following are examples of eligible sources for a cash match:

- Donations from individuals or businesses
- Grants
- Cash on hand
- Fundraisers
- Tickets sales
- Memberships
- Rental income
- SPLOST (if the measure has passed)

The following cannot be used as a match:

- Revenue from bond issues that have not been passed by the application deadline
- Revenue from grants that have not been awarded
- Funds that have already been used to pay for previously completed capital projects
- Donations for elements of the project outside of this grant request
- Building or land value
- Loans
- Equity
- Funds from the state of Georgia

Applicants must have the cash and/or in-kind match confirmed when submitting the application. The application must include proof of the match.

Deadline

The deadline is 11:59 PM on August 29, 2019. The application with all required components must be completely uploaded into Foundant, GCA's online grant application system, by the deadline. GCA strongly encourages applicants to submit the application well ahead of the deadline so that there is time to upload all attachments and resolve any unexpected issues. No changes to the application may be made nor will additional material be accepted after the deadline.

GCA staff will not be available to assist with questions or to resolve technical issues after 5:00 PM on the day of the application deadline. GCA strongly encourages applicants to submit the application well in advance of the deadline.

If an applicant wants to amend an application that has been submitted, the applicant must contact a GCA staff member prior to 5:00 PM on the day of the grant deadline. GCA staff members can reopen an application, but the grantee must make the changes and resubmit the application before the deadline.

Ineligible Applications

Applications that are submitted after the deadline, that do not contain all of the required information, or are submitted by applicants that do not meet the eligibility guidelines will be ruled ineligible and will not be reviewed by the panel. Additional information will not be accepted after the deadline.

These are the most common reasons that applications are deemed ineligible for review:

- The application is missing required information.
- The budget shows more expenses than income.
- The budget does not show a match for the grant request.
- The project will not be completed by the end of the grant period, which is June 30, 2020.
- The applicant is not eligible to apply for GCA funding.
- The application is submitted after the deadline.

False Information

Any grant award made based on false information in the application may be canceled by GCA at any time.

501(c) IRS LETTER (only required of some applicants)

A non-profit applicant that has never received a GCA grant or has not received a grant from GCA since FY17 should include a copy of the organization's IRS 501(c) letter. A letter from the state indicating that the applicant has non-profit status cannot be submitted in place of the IRS 501(c) letter. A non-profit organization that does not have 501(c) status by the grant deadline date is not eligible to apply. *This requirement does not apply to government entities or organizations that have been funded by GCA since FY17.*

BUDGET

Use the following template to create a budget for the project or the phase of the project for which you are requesting funding. For each expense line, include a breakdown of the costs that are included in the total for that line. For each income line, note the source of the income.

In-Kind Donations

In line 17 of your budget, list any in-kind that has been committed to the project. In-kind is defined as any donations of material or services for which the organization would normally have to pay. Your budget must show a one-to-one match for the GCA Grant Request. If your GCA Grant Request is less than \$20,000, then your in-kind can count for a maximum of 50% of your match. If your GCA Grant Request is more than \$20,000, then in-kind can count for a maximum of 25% of your match.

Keep these things in mind when you are creating your budget:

- Do not include in-kind in the cash income or cash expense parts of the budget.
- Your grant request may not be more than 50% of total expenses.
- The income and expenses do not have to be equal; however, the total expenses should not be more than total income. Budgets that show more expenses than income will not be eligible for review.
- The cash match may not be from other state of Georgia agencies or the National Endowment for the Arts.
- The budget should only show expenses which are directly related to the proposal and will be incurred and paid within the grant period of November 1, 2019 to June 30, 2020.
- Following the budget template is a list of ineligible expenses that should not be included in your budget.

Each applicant has the freedom to include in Support Material items that will help the panel better understand the organization, the project, or the community.

Support Material is limited to a total of 20 pages. There will be two places in the online application to upload Support Material to use if you are unable to combine all of the Support Material into a single document. All material must be combined into a maximum of two Word or PDF documents. The size limit for each of the Support Material files is 10 MB.

Items that you should consider submitting include:

- Photos of the area of the building to be renovated.

- Photos of the building to be purchased
- Any pre-planning documents, such as a feasibility study
- Architectural drawings or renderings
- Letters of support (no more than two will be accepted)
- Resumes of any people key to the project

Submitting the Application

When all of the fields are complete, submit the application by clicking the Submit button on the last page of the application. If any required fields were not completed, or a response to a text question type is longer than the set limit, the system will not allow the application to be submitted. An error message will appear listing the fields that need to be completed or edited. These fields are outlined in red so they are easy to identify.
