FY2023 Cultural Facilities Grant Guidelines

The Cultural Facilities Grant will support the construction, renovation, or acquisition of a building, or the addition of equipment to support arts programs.

GCA supports all types of organizations, from small to large, emerging to established, traditional to contemporary, rural to urban, and community-based to professional. Each year, grants go to first-time applicants, as well as those that have applied for decades.

INTRODUCTION

GCA Mission
The mission of Georgia Council for the Arts is to cultivate the growth of vibrant, thriving Georgia communities through the arts

GCA Goals
• Catalyze economic development through the arts
• Enrich individual lives through the arts
• Build community vitality
• Tell the story of the impact of the arts in Georgia

Introduction to GCA Grants
GCA believes that the arts can transform communities, and our grants support those organizations whose work demonstrates a significant benefit to the people being served.

We ask that you keep the following in mind when applying for a GCA grant:

• Our budget determines how many applicants we are able to fund, so some deserving applicants will not receive grants.
• Because of the large number of applicants, GCA staff members cannot preview your application or check to make sure it is complete.
• Each year, grants are awarded to all types of organizations, from large to small, urban to rural, classical to contemporary, and first-time applicants to those that have applied for many years. We strongly encourage all types of organizations to apply.
• Grant review panelists do not have knowledge of your past applications or your history with GCA.
• Grant review panelists are from all areas of the state, so make sure that your application is understandable to people who are not familiar with your community.
• You will be notified when your grant review panel is meeting and how to dial in and listen to the panel discussion.
• Grants are based solely on the application score. An applicant’s grant history with GCA, size, location, discipline, etc. will not have an impact on FY23 funding decisions.
• Applicants awarded FY23 Cultural Facilities Grants will receive an award that could range from $10,000 to $75,000, though no grantee will receive more than is requested in the application. Applicants may receive a grant that is less than the amount requested.
• Applications that are late or are not complete will be ruled ineligible and will not be reviewed by the panel. Applicants may not submit the missing material after the grant application deadline. Applicants also may not change information that has been submitted after the application deadline. Double check your application before submitting it to make sure it is complete.
• If you discover that your submitted application is missing required information, or you need to change information, GCA staff members can reopen your application as long as the application deadline has not passed. You must notify GCA staff in enough time that the application can be reopened, you can make the edits, and then submit the application again before the deadline.
• GCA staff members want to do all that we can to assist you with your application. Please do not hesitate to call or e-mail us with questions.

Panel Review Process
GCA works to assemble grant panels that are diverse in terms of the panelists’ disciplines, where they live in the state, ethnicity, gender, experience, etc.

Once the deadline has passed, GCA staff review submitted applications to ensure that all required material is included. Incomplete applications, applications from ineligible applicants, and/or applications with projects that are not funded by this type of grant are ineligible and will not be forwarded to the grant review panels.

GCA staff members prepare a report on applicants that did not complete the requirements of previous grants. Panelists read the applications and staff reports and submit preliminary scores and comments. An overall preliminary score for each applicant is determined by dropping the highest and lowest scores and averaging the rest. Panelists are then given access to comments from the other panelists as well as preliminary scores.

Panelists convene via conference call for the final evaluation. Panelists discuss each application, and then amend their preliminary scores if they choose. The high and low scores are then dropped, and the remaining scores are averaged to calculate the applicant’s final score.

Once all panels are complete, all applicants are ranked by score. Applicants with the highest scores are funded.
ELIGIBILITY

Grant Description
Cultural Facilities Grants provide support for capital projects for arts facilities in Georgia.

Changes from the FY22 Cultural Facilities Grant application
The FY23 Cultural Facilities Grant guidelines have changed from the FY22 guidelines. This is a summary of the significant changes. Applicants should read the entire guidelines document for complete details on submitting an application.

In addition, GCA has additional funds available to be granted for FY23 Cultural Facilities Grants from ARP funds regranted by the State of Georgia. In previous years, the total funds available for Cultural Facilities Grants has been $300,000. For FY23, GCA has a total of $1,300,000 available for Cultural Facilities Grants.

Eligibility
All eligible applicants must be located in Georgia, registered with the Georgia Secretary of State, and must have completed all requirements of any previous GCA or State of Georgia grant awarded prior to FY23. Previous recipients of the Cultural Facilities Grant are eligible to apply in FY23 due to the additional funds available from ARP funds awarded by the State of Georgia.

Eligible applicants must be one of the following:
- a non-profit arts organization registered with the IRS (to be defined as an arts organization, the entity must include the arts as part of the mission statement and more than 50% of programming must be arts-related)
- a local government entity (i.e. a city, county or local authority) that owns and manages an arts facility

Who is NOT eligible to apply?
- Individuals
- Organizations with fiscal agents
- Organizations that do not have their own IRS 501(c)3 status
- Corporations, for-profit businesses, or privately owned buildings
- Schools
- Libraries
- Colleges/universities or foundations that support colleges/universities
- Organizations that are based outside of Georgia
- Organizations that employ a lobbyist (this does not apply to organizations that are members of groups that use lobbyists)
- Non-arts organizations, such as zoos, botanical gardens, aquariums, sports facilities, history museums, science centers, culinary arts schools, martial arts schools, etc.
Organizations that have already received an FY23 GCA grant, or that have a Vibrant Communities Grant request pending, are eligible to apply for the Cultural Facilities Grant. However, there should not be any overlap in the budget of the previously submitted application and the budget for the FY23 Cultural Facilities Grant application.

Eligible organizations may only submit one FY23 Cultural Facilities Grant application for a single project. Please do not apply for multiple unrelated projects in a single application.

Please note: GCA will accept applications from parent organizations, but not fiscal agents. GCA defines a parent organization as one with which an applicant has a long-term, legal relationship, and the parent organization has the ultimate fiduciary responsibility for the organization. A fiscal agent is an organization which allows an applicant to apply for funding using the fiscal agent’s non-profit status, but which does not have a legal, binding, long-term relationship with the applicant, nor does it have fiduciary responsibility.

If you are unsure if your organization is eligible to apply, please contact GCA staff for clarification of eligibility.

Eligible Applications
Eligible applications must:
• Include an eligible capital project that will be completed by June 30, 2023
• Include a match in the budget (the match requirements are outlined on page 7)
• Be submitted through GCA’s online grant application system with no missing components by the deadline of **August 15, 2022 at 11:59 PM**

Applications that do not meet these criteria will be ruled ineligible and will not be reviewed. Applicants may not submit additional material after the application deadline.

Eligible Projects
Applicants may apply for an FY23 Cultural Facilities Grant for the construction, renovation, or acquisition of a building, or the addition of permanent equipment that supports arts programming in the building. All facilities for which funding is being requested must be used for arts programs. The project for which support is being requested must start no earlier than November 1, 2022, and be completed no later than June 30, 2023.

If an organization is carrying out a very large capital project that will not be finished in its entirety by June 30, 2023, the applicant may apply for support for a single component or phase of that project.
Examples of **eligible projects** include:
- Renovating an arts facility to be accessible to people with disabilities
- Carrying out a preservation project on a historic building that is utilized as an arts facility
- Constructing a new building for use as an arts facility
- Purchasing a building for use as an arts facility (purchase of building must be outright, not through a mortgage, bridge loan, or lease-to-own arrangement)
- Building an outdoor stage or amphitheater
- Purchasing and installing permanent equipment. The only types of equipment that may be included in a Cultural Facilities Grant application are included below.
  o Permanent equipment that requires building ownership or a long-term lease:
    - HVAC systems
    - HEPA air filter equipment
    - Permanent seating in an arts facility
  o Permanent equipment that does not require building ownership or a long-term lease:
    - Sound equipment
    - Lighting equipment
    - Projection systems
    - Stage equipment (such as curtains and screens)
    - Kilns
    - Printing presses
    - Permanent exhibition equipment, such as art gallery hanging systems
    - Art collection storage and management equipment
    - Video equipment for recording or livestreaming arts programs
    - Equipment to make programming accessible to people with disabilities, such as assistive listening devices.

Examples of projects that are **not eligible** for this grant include:
- Paying rent
- Purchasing vacant land
- Renovating the commercial portions of buildings
- Purchasing computers, furniture, or other items that are not on the list of eligible equipment
- Carrying out regular maintenance
- Landscaping projects that are solely for beautification
- Paving a parking lot, or other exterior projects unrelated to the building
- Creating feasibility studies, plans, or architectural drawings that are not for a project that will be carried out between November 1, 2022, and June 30, 2023
- Projects on buildings that are not used for arts programming
- Mobile stages
- Portable equipment
Eligible Facilities
If the project involves the **renovation of a building**, the building must be one of the following:

- The building must be owned by the eligible applicant.
- The eligible applicant must have a lease for **5 years or more** with a government entity, such as a city or county, or a non-profit organization that ensures that the building will remain an arts facility. Regardless of the length of the lease, at least 5 years must remain on the lease for the project to be eligible. Leases of 5 years or more that are renewable in perpetuity are eligible. If less than 5 years remain on the lease, to be eligible the applicant must obtain an extension to the existing lease or obtain a letter from the building owner ensuring that the applicant will be able to remain in the space for at least the next 5 years.

Funding Request
Applicants must request at least $10,000 and no more than $75,000. Grants may be awarded for an amount less than what was requested.

Match
A match for the grant request means that an applicant must raise additional funds and/or donations in addition to the GCA grant request amount to pay for the project.

- Applicants with FY22 actual operating expenses that are less than $500,000 must provide a 50% cash match. This means that the applicant must raise money from other sources that is equal to or greater than 50% of the GCA grant request. The grant request amount may not be more than 67% of total expenses.
- Applicants with FY22 actual operating expenses of $500,000 or more must provide a 100% match for the GCA request amount. That means that the applicant must raise money from other sources that is equal to or greater than the GCA grant request amount. The grant request amount may not be more than 50% of total expenses.

**Applicants must have the cash match confirmed when submitting the application. The application must include proof of the match.**

The following are examples of eligible sources for a cash match:
- Donations from individuals or businesses that have already been received by the applicant
- Grants that have been awarded or that have been confirmed through an award letter
- Applicant cash on hand
- SPLOST (if the measure has passed)

The following cannot be used as a match:
- Revenue from bond issues that have not been passed by the application deadline
- Revenue from grants that have not been awarded
• Funds that have already been used to pay for previously completed capital projects
• Donations for elements of the project outside of this grant request
• Building or land value
• Loans
• Lines of credit from a bank or other financial institution
• Equity
• In-kind donations
• Funds from the State of Georgia
• Any funds which have not already been raised by the applicant

**Application Deadline**
The application deadline is **11:59 PM on August 15, 2022**. The application with all required components must be completely uploaded into GCA’s online grant application system by the deadline. GCA strongly encourages applicants to submit the application well ahead of the deadline so that there is time to upload all attachments and resolve any unexpected issues. No changes to the application may be made nor will additional material be accepted after the deadline.

GCA staff will not be available to assist with questions or to resolve technical issues after 5:00 PM on the day of the application deadline. GCA strongly encourages applicants to submit the application well in advance of the deadline.

If an applicant wants to amend an application that has been submitted, the applicant must contact a GCA staff member prior to 5:00 PM on the day of the grant application deadline. GCA staff members can reopen an application, but the grantee must make the changes and resubmit the application before the deadline.

**Ineligible Applications**
Applications that are submitted after the deadline, that do not contain all of the required information, or are submitted by applicants that do not meet the eligibility guidelines will be ruled ineligible and will not be reviewed by the panel. Additional information will not be accepted after the deadline.

These are the most common reasons that applications are deemed ineligible for review:
• The application is missing required information.
• The budget shows more expenses than income.
• The budget does not show a match for the grant request.
• The application does not include proof of the cash match for the grant request.
• The application includes types of equipment which are not supported by this grant.
• The project will not be completed by the end of the grant period, which is June 30, 2023.
• The applicant is not eligible to apply for GCA funding.
• The application is submitted after the deadline.
False Information
Any grant award made based on false information in the application may be canceled by GCA at any time.

Accessibility

Reimbursements
The Cultural Facilities Grant is a reimbursement grant, which means that grantees must spend funds on the project expenses before being reimbursed by GCA. Grantees may request up to 90% of the total grant prior to submitting the final report when the project is completed. The amount requested must not be more than 67% of total expenses to date for applicants required to provide a 50% match, and must not be more than 50% of total expenses to date for applicants required to provide a 100% match. All reimbursement requests for Cultural Facilities Grants must include receipts to support the reimbursement request and the total expenses to date.

Questions
If you have questions about whether your organization is an eligible applicant or if your project is eligible, please contact the Cultural Facilities Grant program manager, Allen Bell, Director of Grants and Research, at abell@gaarts.org or 404-962-4839.

BUDGET
Use the following template to create a budget for the project or the phase of the project for which you are requesting funding. For each expense line, include a breakdown of the costs that are included in the total for that line. For each income line, note the source of the income.

In-Kind Donations
In line 17 of your budget, list any in-kind contributions that have been committed to the project. In-kind is defined as donations of material or services for which the organization would normally have to pay. In-kind does not count towards the required match.

Keep these things in mind when creating the budget:
• Do not include in-kind in the cash income or cash expense parts of the budget.
• The income and expenses do not have to be equal; however, the total expenses should not be more than total income. Budgets that show more expenses than income will not be eligible for review.
• The cash match may not be from other State of Georgia agencies or the National Endowment for the Arts.
• The budget should only show expenses that are directly related to the proposal and will be incurred and paid within the grant period of November 1, 2022 to June 30, 2023.

All material must be combined into a maximum of two Word or PDF documents. The size limit for each of the Support Material files is 10 MB.

Items that you should consider submitting include:

- Photos of the area of the building to be renovated
- Photos of the building to be purchased
- Any pre-planning documents, such as a feasibility study
- Architectural drawings or renderings
- Letters of support (no more than two will be accepted)
- Resumes of any people key to the project
501(c)3 IRS LETTER (only required of some applicants)
A non-profit applicant that has never received a GCA grant or has not received a grant from GCA since FY19 should include a copy of the organization’s IRS 501(c)3 letter. A letter from the state indicating that the applicant has non-profit status cannot be submitted in place of the IRS 501(c)3 letter. A non-profit organization that does not have 501(c)3 status by the grant deadline date is not eligible to apply. This requirement does not apply to government entities or nonprofit organizations that have been funded by GCA since FY19.

Submitting the Application
When all of the fields are complete, submit the application by clicking the Submit button on the last page of the application. If any required fields were not completed, or a response to a text question type is longer than the set limit, the system will not allow the application to be submitted. An error message will appear listing the fields that need to be completed or edited. These fields are outlined in red so they are easy to identify.
